### **TPO PASTUSZAK HEALTH AND SAFETY POLICY FOR COVID-19**

The health and safety of all our passengers is fundamental importance to TPO Pastuszak. We understand that by choosing us, you as our customer, expect our company to provide you with safe transportation to and from your destination. This document defines our general health and safety policy during the COVID-19 pandemic.

#### **SAFETY PROCEDURES:**

- All passengers use the middle door for boarding and alighting
- All passengers need to keep 1,5m distance while boarding and alighting
- Driver opens and closes the vehicle lockers
- Passengers need to load and unload their own bags
- Driver is entitled to measure the temperature of each passenger before boarding using a non-contact thermometer
- Passengers with temperature higher than 37C will not be able to enter the vehicle
- Passengers must respect the seating layout
- Passengers are not allowed to use the seat with “don’t seat sign”
- Driver (-s) need to keep a safe 1,5m distance from the passengers
- Passengers are not allowed to enter driver (-s) safety zone in front of the vehicle or front entrance
- Passengers are obligatory to use seat belts
- Driver will make sure that the ventilation system is always on and the fresh air flow is not on recirculating air
- Driver (-s) will wear gloves and face mask during the service, with the possible exception in the “driver’s zone”
- Gel sanitizers will be provided at boarding/alighting entrance
- Vehicle is cleaned and disinfected after each service
- Toilet on the coach might not be available for safety and protection reasons
